

ÖZ SAYGIN

DUTIABLE & DUTY-FREE BOUNDED WAREHOUSES

Who is Öz Saygın?

What is its importance for OSO Line customers?

It is the only Solution Partner for Official, Dutiable & Duty-Free Bounded Warehouse and Storehouse Services per Agreement entered into by and between OSO Line and ÖZ SAYGIN Dutiable & Duty-Free Bounded Warehouses.

- ❖ It is one of the biggest facilities of the European Side with its Dutiable Storehouses of 7.000 m² and Duty-Free Storehouses of 3.000 m².
- ❖ It is a facility which is 2 km away from the Tem (E-6) Highway and which is of Whole European standards and continuing its operation in Hadım köy region announced to be the Logistics village of the European side as stated by the official bodies of Istanbul Metropolitan Municipality and Foreign Trade Undersecretariate.
- ❖ It is a model Bounded Warehouse thanks to its perfect service principle with its 25-Year Foreign Trade Experience and professional team.
- ❖ The advantage of the fact that ground clearance of the Dutiable Storehouses of 7200 m² is 17 meters is the storehouses enabling the crane loading and unloading in closed areas.
- ❖ It is a facility the open site of which is 12.000 m² and completely encircled with Razor Wires and where 100 articulated lorries can wait safely and Drivers can rest.
- ❖ These are Storehouses which are as safe as your own storehouses.

Our job is service and our quality is human !!!

- ❖ It is a General Bounded Warehouse preferred by leasing companies due to the physical structure of its facilities.
- ❖ It is within the scope of Model Bounded Warehouse for several innovations practices by Foreign Trade Undersecretariat.
- ❖ It is a company perfectly conducting the Storage and Internal Distribution organizations of approximately 700 Companies which are within the first three of their sectors.
- ❖ For the Internal Distribution Organization, it has been rendering service with its own original property Vehicles.
- ❖ Company is your partner putting your interests first with binding contracts and insurance agreements it has made with solution partners.
- ❖ Being aware of the importance of time for you, it is the only Bounded Warehouse incorporating Motor and Vehicle Courier.
 - ❖ Internal and external sites of our facilities have been equipped with alarm systems connected to 24-hour 365-day 36-Camera, Private and Official Security forces.
 - ❖ Our all Storehouses are fully insured against natural disaster and damages which may occur in our facilities.

WORK FLOW PROCESSES;

- ❖ Your properties directly come to our facilities after they pass Turkey Border gate through your International Carrier.
- ❖ Articulated Lorry Report Card and Affixed documents are taken and Summary statement proceedings are completed. (Delivery notification and the notification that your property has arrived the customs are given by us.)
- ❖ Your Properties regarding your proceedings made through Articulated Lorry Registration proceedings are safely unloaded. If the quality of your Property requires a CRANE, this notification shall be given to you and unloading of your property is carefully made to our closed areas with a CRANE.
- ❖ Your bill of lading prepared by your carrier company is delivered by our Halkalı contact office to the representative of Customs Consultancy from which you receive service.
- ❖ When your proceedings followed by your Customs Consultant are completed, your gate exit paper and properties delivered to Us are shipped to the storehouses to be determined by you or our Duty-Free storehouse within our own site.
